Lets do on call – there are 2 older cases both on multiple times so we will call one way or the other as soon as we know.

Thanks for getting back to me, Stu. Do you want me to be there at a set time, or on call? (I'm not sure if there are other cases in front of this case) If you are going to want me on call, I ask that someone lets me know what's going on as soon as possible so I can keep Orange informed. Thanks.

He will not but if it goes to trial we will take you out of order and get you out quickly.

Good Moring, Stu-

Did you get a chance to ask if the defense counsel would stipulate yet? Just trying to figure out my plan of attack for tomorrow. Thanks.

The defendant definitely wants a trial in this case – though on Monday I will ask defense counsel if he will stipulate to cert since issue in my case is ownership. Stu

Hi Stu-

I'm curious of the likelihood for the Smith case actually going to trial on May 2, 2012 since I also have a case in Orange District Court scheduled that day and the ADA has told me "This case is at the top of the list and I have spoken with the defense attorney who says that his client wants a trial." Thanks for your help.

Hi Sonja,

I will be handling this case on Wed., May2. I was wondering if you had heard anything about your case in Holyoke yet? This case is at the top of the list and I have spoken with the defense attorney who says that his client wants a trial. If you haven't heard anything yet, I'd just ask that you keep me posted.

Thank you so much!
